Subject: For Review - due COB today - Memo for Jacobs re: Sacramento River Settlement Contractors

Hi Chris -

The Sacramento River Settlement Contractors will be meeting with Dr. Jacobs on April 30th. The WCRO and SWFSC updated the attached memo. There are 2 attachments as well but you can focus on just the memo for your review.

There will be a pre-brief on 4/29 at 2:45 that Barry and Maria will be on to brief Jacobs (you will be on a flight to Portland for MAFAC) and then the actual call will be on 4/30 at 4, Barry and Maria will also join this and I believe you could step out of MAFAC to join it as well.

Let me know if you have questions or want to see anything added/changed. Once you are all set, I will send it to Lindsey for NOAA review.

Thanks,
Alesia
