Howard, below is the updated schedule. All but two Shasta meetings will be done by Thursday of this week. Allocations logic Shasta meeting from 10-noon next Tuesday (3/5) was set according to Jeff Rieker and Maria availability; if those folks don't need to attend Katrina and I can revisit. Shasta Temp meeting from 2-4 next Tuesday (3/5) was set based on when Katrina expected the 5 temperature "case studies" to be available; meeting before those were ready seemed inefficient.

Also, if at all possible, I think it would be wise to consolidate the division focus group meetings so that we can get through them as quickly as possible. Thanks again!
