**Attachments:** ROC on LTO BiOp timeline -- Updated 6-06-2019.docx

Naseem,

Thanks for leading the team meeting in a bit (I'm assuming you're OK with that). Attached is a timeline (also in the ROCON drive) that I put together that we will likely distribute to the Directors for discussion during the current meeting. Feel free to project and talk through it with the team, with the provision/disclaimer that it may change at any time.

-Garwin-
