**Subject:** Fwd: ROC on LTO American River Division effects analysis

Joe,  
Considering that Rosalie has your I&S sections, can you please address Garwin's comments on the American River? We are trying to play some schedule catch-up and I would like to get this section to Maria for her review by next Friday April 4-26. Garwin will need to clear before it goes to Maria, so if you can get something back to Garwin by COB next Tuesday, that would be incredibly helpful.  
Thank you!  
Howard

Thanks Garwin.

Unless I hear otherwise from y'all, I plan to focus on s-r I&S until the draft is complete and ready for review, then will address winter-run I&S comments, then American River comments and holes.
