Subject: American River Temperature Data

Hey guys --

The temperature data is on the server at :

S:\Data_Tech_Info\Historical\AmericanRiverTemData

Enjoy!!!!
Cathy

PS If you are looking for some figure making, Stephen is quite adept at Excel and likes to play with it to help support a message/analysis (he also knows R but doesn't have it installed). Happy to task him with helping with this as you need (but he is out at the Yuba today).
