Subject: green sturgeon report card summary in Jeff's Delta section
Attachments: NMFS Biological Opinion__JSS_Delta_ver1_32819.docx

Jeff -- Kristin is pulling any green sturgeon reports from "Stockton to HWY 140 bridge" from all the green sturgeon report cards. If you already did that when you pulled data for the Delta, please share it with her.

Kristin -- See subject section on p. 15-16 of: NMFS Biological Opinion__JSS_Delta_ver1_32819, attached

I don't need a box and whisker chart (since will just be a few, a table or bar chart seems fine), but this is a good place to grab the text with all associated citations!!! (Thanks, Jeff!).
