Hi All,

I sent what we had together at this point!
sent to HB, GY, CM

Might hear back by tomorrow morning? not sure, for revisions - but I believe Maria wanted to see it by noon or 1pm.

I added the tables to the ITS file - so now the ITS is just in 2 places rather than 3.
The RPM/T&Cs file can continue to be updated using the "UPDATE THIS VERSION" version. ??
Feel free to make additional changes, etc to either file.

thanks for all the work on this!
