Katrina,
Resending this with the full NMFS Shasta team cc'd:

Thanks for managing the live edit tiger team meeting today; there is certainly lots to get through on this! I am following up on our need to have a focused Shasta Ops meeting. Do you want to try in schedule that during one of the standing tiger team blocks for next week or maybe carve out another time for a smaller focused discussion? Along with you, here are a few names of people that I feel are needed to effectuate a productive discussion:

Maria Rea
Evan Sawyer
Barb Byrne
Garwin Yip
Howard Brown
Jeff Rieker
Josh Israel
