Subject: Re: ROC on LTO initiation of consultation memo

I had some edits that are on the version on the server. I have also put the final 3/8/19 Director's meeting notes on the server.

I suggest when you get this to a "Final" version you indicate so in the filename.

S:\Memos to the record

All,

Attached is the initiation of consultation memo (also saved in S:\Memos to the record). Cathy reviewed an earlier draft and provided edits and text associated with modeling.

Please review.
