Garwin,
I reviewed this also and had a few edits and additions. I added to the version Maria edited and saved it to U:\Sufficiency Review. I also copied a sub-folder to the same sufficiency review folder of the BA technical support materials that we provided to Reclamation in November.

All,

Attached is the initiation of consultation memo (also saved in S:\Memos to the record). Cathy reviewed an earlier draft and provided edits and text associated with modeling.

Please review.
