Hey Brian -

The 2.8 Integration and Synthesis ELLROTT WR V1 srb - has all of my edits and is the most current as far as I know.

Hi all,
I need to update a couple of things in the critical habitat section. Let me know which file to use, and when I can do it.

Thanks,
Brian

On the server. File name is: 2.8 Integration and Synthesis ELLROTT WR V1

The species portion is relatively solid, the CH portion is light.
