Hi Howard

I have added a few graphics to the SRKW slides - let me know what you think.

Dan

Barry and others,

Attached is the latest version of our presentation for the Monday ROC briefing. I am still working on it (need to add some numbers/figures for SRKW to help isolate PA effects using salvage density/total loss metrics), but thought it might be helpful to have at hand for our 9:30 strategy meeting this morning.

Howard
