Makes sense.

Justin, FYI and heads up, Reclamation circulated a revised proposed action in track changes to water users last week, and seasonal operations for the Trinity River Division shows up as proposed! We're supposed to get a revised BA on April 15, so we'll see what it says then.

Looking ahead, neither Kaylee nor I are available next Tuesday afternoon. So we'll either need to cancel our touch base or reschedule to Wednesday morning before the RD call at 10. Can we decide Tuesday if we need to discuss anything?
