Attachments: 2.5 and 2.6 Upper Sac Effects V12_ForDistribution_Compiled Comments SOL 5.16.19.docx; 2019-05-10_NMFS ROC BiOp_Delta effects_DRAFT_Comments Compiled_CM_SOL review.docx

Good morning Beverly,

Could you please print hard copies of the attached documents for Barry? They are DOI comments on the NMFS ROC effects analysis for the Delta and Shasta Divisions. I think it would be helpful to have these printed in advance of his trip to Sacramento on Monday. If it's not possible to get these to him today, we will have copies waiting for him.

Thank you!

Howard
