Naseem, here is my shot at the Clear Creek RPA and baseline. It's not in track changes but a stand alone, I wasn't quite sure where each should fit based on the portion you set me. Most of my update information (with some exact verbiage) came from the Clear Creek RPA annual reports. I did not cite here but can if needed.

here is all that is in right now.

Nothing about CC!

let me know if you are able to write up a similar paragraph for it (what was the requirement, and what has occurred to date - and maybe what is no longer proposed).
