Subject: EB v5 for Chris and Rosalie

Garwin -- Version for Chris and Rosalie to review is *Environmental Baseline v5 NH_BB CLEAN for reviews.doc*, attached. **Naseem asked that we** "let them know there are a few sections/areas I am still waiting to hear back (but I replied to any of their comments)."

If your VPN comes back and you are in that folder, please do NOT archive *Environmental Baseline v5 NH_BB.doc*; that is Naseem's "master" doc and (a) Norma will be adding in Endnote citations, and (b) Naseem will transfer over any comments from Chris or Rosalie.
