Well, Evan, you got a few-minute reprieve, anyway.

Naseem--See my track changes in that same folder. If you haven't started reviewing/commenting, it'd be helpful to Evan if you use my version.

Hi Naseem, Garwin,

I have written a draft of the proposed action section for the BiOp. I don't feel it's "done" but it's at a point that it could use another set of eyes for review. Also given the need to keep things moving, I am going to move to another section.

Anyway the draft description of the PA can be found in the ROCON drive here: R:\Draft BiOp\1_Introduction\1.5 Proposed Action

Thanks,
Evan
