Subject: CAMP reports on Caswell and Oakdale RST data

Katrina,

Subject documents, related to rotary screw trap monitoring at two locations on the Stanislaus River, are available at: <https://www.fws.gov/cno/fisheries/CAMP/Documents-Reports/>

Caswell reports cover the 1996 to 2012 period. Oakdale reports cover the 1993 to 2006 period except for 1994 and 1997.

Barb
