Cathy and Brooke,

I would have to check with Russ about external invites. This is a courtesy review for the water users and Russ is in charge of invitations, but I will check with him. Right now, the meeting is tentative and may be postponed. We will know more about the timing later today.

Hi Cathy,

Are you still planning to have a meeting Monday morning to walk through the draft EA? If so, are you able to forward the invite to us?

Thanks,

Brooke
