Subject: CCVO Science Support for ROC on LTO

Eric and Miles --

Earlier this week I shared with you a document identifying our requested science support for the reinitiation of consultation on long term ops. There are a few items that fall into the "conversation" bin for next steps. I slated an hour on Tuesday Dec 11 to talk. I'd like to hit on Items 1, 2, 3, and maybe 5 from this document.

Please let me know if this doesn't work.

Thanks!
Cathy
