Subject: CCVO SWFSC Support for ROC

Hi all --

I updated the document of [support](#) needs based on our conversation on Dec 11 (generally the red text). There are some action items for Eric and Rachel (and me of course). I have a few more meetings to set, but otherwise most items are in a bit of a holding pattern for now. Let me know if something seems off.

Eric, could you and I use the Thurs noon time tomorrow to talk through your items?

Thanks!
Cathy
