Subject: Agenda and Materials -CCVO-SWFSC Discuss SJR I:E Support for ROC
Attachments: WCR-1818 NMFS_USGS MOU for Acoustic Tag Experiment_NMFS signed_JS Signed.pdf

All --

Attached and included are materials for our call tomorrow, Thursday, at 1 pm. We were/are in a very fluid early state with this particular effort, and a lot of post-furlough work is still being figured out, so I'd like to try to get our feet under us. If there's something missing, let me know.

Thanks!
Cathy
