Subject: Adaptive management discussion tomorrow

Howard tells me adaptive management will be the focus of the Directors call tomorrow. I'm happy to be a strong advocate for what we need.

Can one of you send me:

- the five agency adaptive management plan (appended to CWF)
- cut and paste of CWF terms and conditions re: adaptive management
- Reclamation PA cite on adaptive management - - is there something other than what is in PA, which I have with me?

Sorry I won't be in office between now and the call; let me know if any key points you want me to raise.

Thanks,
Maria
