Subject: non-natal rearing section

Hi Barb,

These page numbers are from the CWF BO pdf on our website (not the word version)

page 59- talks about green sturgeon CH in American River
page 69- top of page talks about juvenile winter-run rearing in lower Am R
page 72- talks about juvenile spring-run rearing in lower Am R
page 75- talks about spring-run CH in AM R
page 77- talks about possibility of green sturgeon rearing in lower Am R

Phillis et al. 2017 isn't referenced but here it is just in case you want to add it-
https://watershed.ucdavis.edu/files/biblio/Phillis_et_al_2017_Biological_Conservation.pdf
