Hi Evan,

Attached is the IEP abstract, but it does not provide much detail. Let me know if you want more details or to talk about it more.

Do you have a summary or abstract for your IEP presentation on the relation between a spring pulse and summer storage/temp? I had included some information based on the presentation slides and our discussion of them but Maria is asking for some more details including any figures (apologies I know you sent me the presentation but I can't seem to find it atm).

Thanks, Evan
