Hi all,

Please find attached a report describing the winter-run life cycle model description and calibration that was discussed on today's call.

Best,  
Noble

Hi All,

Reminder that we have a Shasta Fish Passage Steering Committee meeting next Tuesday at 10. I attached the notes from last meeting and will send an agenda next week with the same general agenda items as included in these notes. Send anything you'd like to add. Noble Hendrix is scheduled to present on winter-run Chinook lifecycle modeling via a web meeting. The connection info for viewing is below for those who will not be here in person.

Thanks
