Subject: Re: Prep for this afternoon -- sharing some WIIN Act work with Reclamation in advance?

Barb,
Yes, please send this forward to Dave and explain how we believe this can help us develop a workable approach for ROC.

Attached is an internal draft (not sure if was ever shared with Reclamation) of a proposal drafted during the furlough. I think it lays out a possible approach to meter out loss, and at the very least summarizes observed loss numbers 2010-2018 so we can discuss specifics this afternoon.

May I share this with Dave Mooney in advance of our meeting, along with the associated worksheet? Or at least the worksheet?
