Subject: Draft Statement /Q's and A's
Attachments: Draft External Statement for Response to Query.docx

Maria/Howard,

Attached is a draft statement for external use concerning the issuance of the effects analyses. We will use it to respond to query only. In addition there are q's and a's for internal use only. You have seen these before, but they have been modified somewhat and I would like you to see them before they go through final clearance. Thanks, and sorry for the back and forth,
Jim
