Hi Derek,
Some day this project will push you out the door, but I'm really glad it hasn't happened yet. Thanks for the export data!

Any chance you would have data or a figure on the percentage of CVP/SWP Delta exports relative to total unimpaired Delta inflow over that same or a similar historic time period? As in what's the percent taken out each year.

Thanks,
Brian

Try this? Want it to go longer?

Cathy,
I have this chart, but it only goes through Dec 2017. I can update it for 2018 numbers on Monday if you want.
