Maria,

Attached is the draft letter that we started. Definitely needs retooling to serve the purpose of advising Reclamation of our Shasta RPA adjustments process and effort. I'll work on it.

Christina,

Attached is the draft letter, including the pentultimate Sacramento River Settle contractors' paragraph. If you haven't started shredding, please use the attached. If you have, it's easy enough to copy that paragraph into the version you are working on.

Christina,

Attached is my work in progress. I have a placeholder in the penultimate paragraph to work on that while you review. As discussed, please review and put a positive spin on the doc. Thanks.

Can you take a crack at filling this in today? Don't spend too much time on it - I want to get it to a good draft stage, and then share with Will and GC. Thanks
