Katrina,

See attached for some track changes to the Clear Creek technical workgroup charter for consideration.

FYI, I added Justin Ly, cc'ed here, as part of the core team. Justin is with NMFS' California Coastal office out of Arcata, CA and will oversee the Trinity River Division side of the ROC on LTO.

Hello all -

Attached is the agenda for today's ROC on LTO meeting, as well as the updated ROC on LTO Project Management Plan, and also the Clear Creek technical workgroup charter.

I look forward to talking to you at 2pm.
