Unfortunately, that is the same time as the CalSim 3 workshop. I'll discuss which is my higher priority with Lee.

### Shasta Technical meeting

The Shasta RPA amendment workshop #4 will be rescheduled, so we're replacing that workshop with a Reclamation-NMFS coordination meeting.

Tentative agenda:

- Shasta RPA amendment:
- ++ Walk through of system-wide CalSim modeling PPT.
- ++ Joint messaging
- February forecast:
- ++ Process and timeline
- ++ Temperature modeling assumptions (e.g., hydrology, air temperatures)

When Fri 2018-01-26 09:30 – 12:00 Pacific Time

Where NMFS - WCR - SAC - Conf Line 1- 866-842-3781 Passcode: 3253886, Sacramento - LgConf - Delta ([map](#))
