Garwin, I want to be sure I know what you're looking for. Are you talking about the adverse ruling on our 2004 biop wherein we tried to separate the existence of the dams (saying that's in the baseline) from the operations?

Lynne: Could you share the relevant court document with Garwin?

Sorry Garwin... things are hopping here as well.

Hey, Ritchie,

Can you send me the court opinion on the characterization of environmental baseline for the FCRPS consultation? Thanks.
