Subject: Where does Clear Creek fit?

Sarah -- Garwin shared your text from yesterday about whether Clear Creek is linked with Shasta or Trinity. Please go with the structure in the Word TOC (attached, also in R:\Draft BiOp) -- since that matches the order of Proposed Action elements (for the most part) in Table 4-6 of the BA.

The excel sheet was inspired by the 2009 BiOp since when it was developed, we didn't know the content or structure of the incoming BA.
