Hi Garwin,

Since I agreed/was asked to pull together the EnvB after reviews, I'm hoping you can give a quick review on the sections I wrote, or asked others to write.

See attached for track changes:

- 2.4.1.3.1 CWF (Cathy wrote)
- 2.4.2.1 Hatcheries (Amanda added)
- 2.4.2.3 Water Quality (Brittany added)
- RPA action NF 4 (page 20-ish) - (Jon added)
- RPA I.2.6 BCRP (naseem added)
- 2.4.2.11 Restoration Actions (Naseem added)
- 2.4.2.12 Mitigation/Banking (naseem added)
- 2.4.7 Survival/Recovery (Naseem added)

I pulled most of the reviews into this draft (but not all yours, for example)

You are more than welcome to re-read the whole thing - but hoping you can at least look through those sections.

thanks!

sooner than later... for I&S!
