Subject: Re: [EXTERNAL] Clear Creek is in the Trinity River Division

It looks like it has been corrected.

We do need to determine how we are going reflect the change in the Trinity inclusion in the Outline Template V4. Once changes are made there, I can reflect those in the other Trinity templates.

Susan

I just found out the other day that Clear Creek is in the Trinity River Division. How tough is it to change the table of contents, template, etc., to reflect that?
