Good morning folks,

The time has come to put the ROC on LTO on the upcoming decisions memo. I've gotten started on it, I just need you ROC on experts to help me fill in a few details:

Feel free to change anything that I haven't gotten right. Lilah wants to give this to Scott to review Monday afternoon. Sorry for the tight turn around, I can't believe we are 10 weeks out!!

Thank you ROC on team, for helping me with this!
