Subject: ROC on LTO environmental baseline

Naseem,

As part of the LOBO reviews, Reclamation has been submitting a matrix that identifies all of the RPA actions and their statuses. <http://deltacouncil.ca.gov/sites/default/files/2018/11/RPA%20Matrix%20Status%20of%20Actions.pdf> provides the updates. This link, along with a sentence or 2 description may fit nicely within the Environmental Baseline section when discussing the 2009 BiOp.
