Dan, please send your SRKW refs over to Brittany, and connect her with Jeff for possible ready-made Endnote entries. She's been working on the Status of Species section. She might not get to it for a few weeks (we are prioritizing some other sections right now), but would be good for her to have it handy and might also give Jeff some time to compile the SRKW refs in an Endnote sub-library he can send over to us.

Thanks!
