Hey Jeff -

I'm getting ready to format the Tables and Figures with captions and correct numbers. Then, once you are done with the text, I can combine the documents so that the section will all be in one place. Please let me know when you are finished with your edits to the text.

Before I do that though, I need you to make a decision about Figures 14-16 - those are the ones that are actually a series of 12+ figures each.

Also, as we discussed, I will be deleting Figures 11, 12, and 13 and just leaving the tables to illustrate those points.

Thanks! Susan
