Barb—Please send the East Side Division effects section to Kristin. She'll take over addressing comments (with you on stand by if she has any questions). If I get to the office before you I'll send it, hoping the latest version is on the ROCON drive.

Kristin—ASAP is the acronym of the day...and project.

Good Morning Garwin,

Today I will be working from 7 am to 3:30 pm. I will try to get hold of Shawn to get connected to the server and will check in with Jeff to see if I can help review sections. Let me know if you think of anything else I can work on.
