Team,	
environmental baseline section 1, B-2, B-4, and B-7. Please ch	ents from Rosalie wherever there are species periodicity tables (e.g., a) that start with/refers to the long version SOS section in Appendix B, Tables Beeck out those tables, and update, as appropriate, with more current monitoring r-run has a citation for KL RST data 1999-2011 and DJFMP 1995-2012).
Thanks!

comments back from Rosalie. it may be helpful to briefly ch	Maria's reviews and comments on the SOS section, but we already got Check them out on the ROCON drive. For Rosalie's main and global comment, at with the division leads about the main stressors/threats that have the largest effort it would take to address Rosalie's comment. We could then regroup to see
