Subject: Draft Shasta Performance Metrics Proposal

All --

I took a stab building on Evan's work and some info provided by Eric and Miles to develop a draft proposal for Shasta performance metrics (attached). I have comments to prompt feedback/discussion, so be sure to view with those on.

I also scheduled some time to discuss on Monday afternoon. Eric is on travel Tuesday and I think we are targeting having something to share with Reclamation on Wednesday.

Happy to hear thoughts and discussion.

Thanks -
Cathy
