Process check: I checked in with Cathy yesterday, and she confirmed that as the PM, I should clear everything, so my suggestion is to add a "PM Clear" column between "Filename" and "Uploaded?" If there's consensus that that's not needed (my clearance nor the column), then you guys just relieved me of a ton of work today!

On this, if you do "clean up" a document, please update the tracker that it is clean and has watermark/header, and indicate whether moved to the PeerReview/Review Materials folder.

Thanks.
