Subject: Draft 2019 IEP Workplan for Nov. 14 Stakeholder Meeting
To:

Greetings IEP Stakeholders,

Attached is the draft final IEP 2019 Annual Work Plan for your review before the November 14, 2018 IEP Stakeholder meeting. The IEP program management team will bring this item to the IEP Directors for final approval in December.

Just a reminder, this meeting is open to the public and all are welcome to attend. The IEP Stakeholder Meetings are a fantastic opportunity to hear about IEP activities and projects, ask IEP scientists specific questions about Delta science, as well as hear from our Stakeholders about their own activities and projects.

Thank you. Hope to see you there!
