Subject: Spoke with Steve Lindley re: peer reviews

Cathy and Norma,

Can you schedule a call next week on Tuesday afternoon or Wednesday morning with Steve Lindley, Eric Danner, and whoever they want to invite, and whoever of our staff we want to invite, plus John Ferguson, to go over their review of the peer review reports we are receiving tomorrow?

I told Steve we would take notes, and create a record of their report out, and not have him craft something, given time pressures. He is definitely willing to help.

Thanks
