Subject: Clear Creek ITS

Exactly which file should I be looking at for the Clear Creek incidental take?

If you plan on writing an admin record memo, that's a higher priority than the admin record/file clean up.

- I went back over the ITS tables this morning. It is ready for review. I would like feedback if you have time.
- Now starting work on the term and conditions document-I have been thinking about it since yesterday, and now have a few more to add and should be done in an hour or so..
- I still need to work on admin record/file clean up.
- Let me know what else needs to be done for ROC
