Teleworking but I can be available to discuss Shasta PA vs RPA.

Also yesterday I heard direction on trying to merge the PA's Programmatic AM with the CWF AM Framework/Plan. I was going to work on that in advance of the meeting Friday 1-5. If that's NOT what I should be doing let me know.

Thanks,
Evan

Garwin and Barb,

Thanks for all of your work preparing for the tiger team meeting yesterday. Looking ahead, we need to do some prep for our small group meetings. This is where I think we need to pull together a side-by-side analysis of what is in the PA and what was in our RPA for the critical items that are likely to be most challenging for us. Can you get that together today? I'm thinking that we need Shasta, OMR, I:E and HORB/Georgiana. I am also thinking that Barb should go with Jeff to the Friday meeting with Reclamation.

Meanwhile I am going to try and get something on Maria's calendar to prep for the Tuesday Shasta session.

Thanks again!
Howard
