FYI, in my end-of-week desk cleanup, found the attached "Seasonal Allocation Process" handout from the 3/5 Shasta meeting and have already inserted it into Cathy's compilation after the scan of my personal notes. No further action needed.

All --

I did not try to re-summarize your notes, but I did compile them all into one document for our meeting notes records here:

S:\MeetingNotes\20190305_ShastaAlloc_Mtg_Notes.pdf

Let me know if you'd like me to do anything else with them.

Thanks!

Cathy

Sarah—Please also attach Maria's notes.

Evan and Barb—Please scan or print your notes from the meeting.

All notes go to Cathy, who has graciously offered to put together a summary of salient points and documentation.
