Subject: Re: FWS draft Effects Analysis - Comments?

I'm pretty sure NMFS will not be submitting comments on the FWS draft effects analysis. Howard's tied up right now (in fact, at the WIIN Act section 4004 meeting talking about the ROC on LTO consultations), so can't weigh in, but I'll check with him and get back to you IF I'm wrong.

Hi Garwin,
I know y'all are very busy. I wanted to check if you plan on submitting comments on the FWS draft effects analysis? We're compiling our comments and coordinating those of the CVP/SWP water users to send over

Thanks,
Ben
